Adan Retail Product Catalog Overview (2025)

Adan Retail — Internal | Confidential

Electronics

Flagship items include the Adan Mechanical Keyboard (ADN-KB-01), Wireless Mouse (ADN-MS-02), and Noise-Cancel Headset (ADN-HD-03). Electronics target hybrid office workers and students. Recommended bundle: keyboard + mouse with a 5% promotional discount during March campaigns.

Stationery

Core stationery SKUs are Notebook A5 (ADN-NB-04) and Gel Pen Pack (ADN-PN-05). These products have high velocity in Tehran and Isfahan school seasons. Bulk education orders above 200 units qualify for free shipping inside Iran.

Accessories

The Adan Laptop Backpack (ADN-BG-06) is water-resistant and fits 15-inch laptops. It is frequently cross-sold with the headset and keyboard. Warehouse guidance: keep at least 50 units of ADN-BG-06 in Tehran hub stock.

Support Channels

Product questions from customers should be routed to catalog-help@adan-retail.example. Internal sales analytics live in the SQLite sales database, not in this PDF.
